

Summer Food Service Program (SFSP)

State Deadlines for Sponsors

Although it is a Federal program, the SFSP is administered at the State level. Federal regulations require that all sponsor applications be submitted to the State agency by **June 15th**. States may establish earlier annual deadlines, but are encouraged to work with sponsors wishing to apply after the deadlines. Therefore, if you have already missed the deadline in your State, contact your State agency to discuss extension options.

* Will accept applications until June 15th.

State	Sponsor Application Deadline
Alabama	Federal Deadline
